

## THE MERINO MUSTER

Merino Muster is proud to be an associate race of the 2017 Audi quattro Winter Games NZ. The Audi quattro Winter Games NZ encourages aspiring and elite international athletes to compete in the 42km Merino Muster and the 21km Snow Rake, the week prior to the Audi quattro Winter Games NZ. Competing in the Merino Muster is a rewarding experience for teams and individuals who travel to New Zealand.

Accommodation packages in Cardrona and Wanaka are available to take the hassle out of organising the New Zealand logistics. [www.mmwanaka.com](http://www.mmwanaka.com)

The Merino Muster is an event that your family and friends who accompany you to New Zealand can compete in. Our recreational New Zealand cross country skiers will enjoy the atmosphere on race day mingling with international visitors. The Kiwi's (New Zealanders) have an ownership of the Merino Muster and will welcome visitors competing in the 2017 Merino Muster.
